## DEPARTING SUNDAY 24 JULY 2022

---

This morning we board the coach and make our way to **Macenmist Truffles**, located in the Snowy Monaro Region just outside of Bredbo.

Here we will Join Truffle dogs Fahren and Tawdiffu as they take us on a journey of discovery. Once the dogs discover a ripe truffle, the unearthing begins, enjoy the archaeological event and discover our own perception of the truffle smell.

Following the hunt, we will enjoy a truffle tasting before reboarding the coach and making our way to Cooma for a comfort stop. Here we will have the opportunity to stretch our legs and perhaps grab another bite to eat if we have not had our fill at the tasting.

After our break in Cooma, we will once again board the coach and make our way home via the Brown Mountain.
